

**Muffler, Arrester, Guide and Nut**
**Model : GZ3500T**
**1. Subject**

GZ3500T muffler has been changed twice. From those changes, there are two(2) kinds of arresters and guide mufflers. The new arrester and guide muffler are used by muffler (522 00 50-01) and muffler assy (577 74 20-01). The nuts are added newly. Please check the correct part numbers when you change a arrester and/or guide muffler.
