

PDI Checklist

Completion of this Pre-Delivery Inspection is mandatory for the dealer to ensure the product is ready to be used when given to the end customer. Some models may be subject to optional Pre-Delivery Inspection. See SELDIS Contract, Appendix D for further details.

Tick below

PACKAGING/DELIVERY INSPECTION	
1. Visually inspect the product and its packaging for transportation damage and missing components.	<input type="checkbox"/>
TECHNICAL INSPECTION	
2. Check, charge and connect the battery. Measure battery voltage (should be above 12.7V before delivery).	<input type="checkbox"/>
3. Check and fit the steering controls, seat, rear wheels (If applicable). Check and adjust tyre pressure.	<input type="checkbox"/>
4. Adjust the position of the steering controls.	<input type="checkbox"/>
5. Install the cutting deck and gauge wheels (if not mounted), adjust cutting deck height, make side-to-side and front-to-front adjustments.	<input type="checkbox"/>
6. Check the oil level in hydraulic system (If applicable) and if necessary, fill up with recommended Husqvarna oil.	<input type="checkbox"/>
7. Check the oil level in the engine and if necessary, fill up with recommended Husqvarna oil to be able to start and test.	<input type="checkbox"/>
8. Fill with enough fresh fuel to be able to start and test the engine on different RPM speeds. Always recommend Husqvarna fuel for best performance.	<input type="checkbox"/>
9. Check the belt for proper routing in all mower pulley grooves.	<input type="checkbox"/>
10. Check for any leaks from hydraulic and fuel system.	<input type="checkbox"/>
SAFETY INSPECTION	
11. Verify that the machine does not move in neutral, check forward and reverse drive and that there is drive to both wheels.	<input type="checkbox"/>
12. Check the blade engagement, safety switches and parking brake functionality.	<input type="checkbox"/>
13. Check the ROPS and seat belt (if equipped).	<input type="checkbox"/>
SERVICE & DELIVERY	
14. Inform the customer of the correct starting/stopping procedure, other safety features and necessary personal protective equipment.	<input type="checkbox"/>
15. Inform the end customer about recommended maintenance and remind the customer to book a time for recommended first service. (See maintenance plan in operator's manual).	<input type="checkbox"/>
16. Register the product in the Husqvarna Product Registration System.	<input type="checkbox"/>
Important to inform customer:	
17. Hand over the operator's manual to the end customer and instruct the customer to read it before use.	<input type="checkbox"/>
18. Inform about cutting system and other accessories.	<input type="checkbox"/>
<i>NOTE! In the event of shipping products containing batteries, the dealer is responsible to assure shipment of the product in accordance with applicable rules and regulations.</i>
